Merry Christmas and Happy Hanukkah!

Another year is coming to a close and what a year it has been! Housing markets have suffered as have many businesses. Even so we have seen beautiful new homes being built in our neighborhood with more to come. There is a feeling of joy in the air as some people begin decorating their homes for the holiday while others prepare for their own traditions during this time. Whether you celebrate

Christmas, Hanukkah or neither, it is hard to miss the frenzy of activity that comes around this time of year! Some of us may have family visiting while others may be traveling to see family. Still others may have parties with friends or may just celebrate quietly at home. No matter how you spend the holiday we hope that it is filled with joy and hope for a wonderful new year.

Check out the Neighbors!
